

Investing for Success

**Under this agreement for 2022
Norfolk Island Central School will receive**

\$80,000*

This funding will be used to

- Support the transition from NSW to QLD through targeted professional learning to develop a deeper understanding of the critical content of the Australian Curriculum.
- Continue to enhance staff capability in relation to pedagogy, curriculum and assessment.
- Build teacher capacity with QCE requirements and processes.
- Improve the academic achievement of students requiring support.

Our initiatives include

- Building teacher capacity through targeted professional development that uses data to guide decision making when differentiating the curriculum for all learners.
- Provide staff with opportunities to engage in moderation practices both within the school and region.
- Build teacher knowledge and understanding of the Australian Curriculum and general capabilities.
- Improve the use of technology to differentiate and improve learning experiences.
- Building students capacity to make connections in learning by broadening their experiences of the world beyond Norfolk Island.
